EDUCATION

Southern Methodist University

Dallas, TX

Physics PhD Program

Aug 2025-Present

- Concentration: Astrophysics

East Texas A&M University (formerly Texas A&M University-Commerce)

Commerce, TX

Bachelor of Science in Physics with an Emphasis in Astrophysics

Aug 2021-May 2025

- Minor: Astronomy
 - Academic Distinction: Magna Cum Laude
-

PROJECTS

Southern Methodist University, Physics Department

Dallas, TX

“Contributing to the ROTSE Data Analysis Pipeline”

May 2026-Present

Advisor: Dr. Robert Kehoe

Southern Methodist University, Physics Department

Dallas, TX

“The Recommissioning of the ROTSE-IIIb Telescope”

Mar 2026-Present

Advisor: Dr. Robert Kehoe

Southern Methodist University, Physics Department

Dallas, TX

“Simulating Delta Scuti Variable Stars Using MESA”

Aug 2025-Jan 2026

Advisor: Dr. Robert Kehoe

East Texas A&M University, Physics and Astronomy Department

Commerce, TX

“A Search For Rapid Rotation in Massive White Dwarf Stars”

Aug 2024-May 2025

Advisor: Dr. Kurtis Williams

East Texas A&M University, Physics REU

Commerce, TX

“A Search For Rapid Rotation in Massive White Dwarf Stars”

Jun 2024-Aug 2024

Advisor: Dr. Kurtis Williams

PRESENTATIONS

Texas TACOS 2025 @SHSU

Huntsville, TX

Oral Presentation, Sherman Losey Talkito (Single Slide)

Oct 13th, 2025

Spring 2025 ETAMU Annual Research Symposium

Commerce, TX

Oral Presentation, “A Search For Rapid Rotation in Massive White Dwarf Stars”

Apr 16th, 2025

- Award: Outstanding Undergraduate Oral Presentation for the College of Science and Engineering

McNair Scholars Program Symposium: Future Leaders in Innovation	Cincinnati, OH
Poster Presentation, "A Search For Rapid Rotation in Massive White Dwarf Stars"	Nov 2nd, 2024
Fall 2024 Joint Meeting of TSAPS, TSAAPT, and Zone 13 SPS @SMU	Dallas, TX
Oral Presentation, "A Search For Rapid Rotation in Massive White Dwarf Stars"	Oct 18th, 2024
Award: Outstanding Undergraduate Oral Presentation	
East Texas A&M University Physics Day	Commerce, TX
Oral Presentation, "A Search For Rapid Rotation in Massive White Dwarf Stars"	Oct 5th, 2024
East Texas A&M University Physics REU Symposium	Commerce, TX
Oral Presentation, "A Search For Rapid Rotation in Massive White Dwarf Stars"	Aug 8th, 2024

WORKSHOPS

PHOEBE Workshop	Villanova, PA
Student	Aug 10th-14th, 2026
2026 Sagan Summer Workshop	Remote
Student	Jun 20th-24th, 2026
MESA Summer School 2026	Jackson Hole, WY
Student	Jun 8th-12th, 2026

PROFESSIONAL EXPERIENCE

Southern Methodist University	Dallas, TX
Teaching Assistant, Physics Department	Aug 2025-Present
- Lead students through labs relating to course material - Grade labs and exams - Course: The Ideas of Modern Physics, Introductory Classical Mechanics, Introductory Electricity and Magnetism, and Musical Acoustics.	
Graduate Student Tutor, A-LEC	Sep 2026-Present
Tutor students in any undergraduate Physics or Math courses	
East Texas A&M University	Commerce, TX
Peer Educator, Undergraduate Tutoring Services	Oct 2021-May 2025
Tutored students in a wide range of STEM courses in physics, astronomy, mathematics, engineering, and chemistry	
Learning Assistant (LA), PHAS Department	Aug 2022-May 2025, Jan 2025-May 2026
- Helped Professor guide students through in class tutorials while teaching them to apply the necessary concepts and problem solving skills - Courses: Introductory Classical Mechanics, Stars and the Universe, and Introductory E&M	

AWARDS & HONORS

- Outstanding Undergraduate Oral Presentation for the College of Science and Engineering, Spring 2025
ETAMU Annual Research Symposium, Spring 2025
- Excellence in Undergraduate Learning and Service, ETAMU Department of Physics and Astronomy, Spring 2025
- Outstanding Undergraduate Oral Presentation Award, Joint Meeting of TSAPS, TSAAPT, Zone 13
SPS @ SMU, Fall 2024
- McNair Scholar, East Texas A&M University, Spring 2024–Spring 2025
- President’s List, East Texas A&M University, Spring 2022–Spring 2025
- Mary Clare Hughes Scholarship, East Texas A&M University, 2023
- Dr. J & S Shirley Endowment Scholarship, East Texas A&M University, 2023
- Willis Caldwell Furr Scholarship, East Texas A&M University, 2021
- Dean's List, East Texas A&M University, Fall 2021

SKILLS

- Python: Spyder, Jupyter Notebook, Matplotlib, SciPy, NumPy, VPython, and Pandas
- LatTex
- Modeling Software: MESA
- Analysis Software: QtiPlot, AstroImageJ, Period04, and PHOEBE
- Astronomy Instruments: The 2.1-m **Otto Struve** telescope, the 0.45-m **ROTSE-IIIb** telescope, the 0.9-m **SARA Kitt Peak** telescope, a 0.25-m Schmidt-Cassegrain telescope, a 0.6-m Planewave CDK 600 telescope, and a Planewave CDK 700 0.7-m telescope.
- Teaching: Teaching Assistant, Learning Assistant, and Tutor (see above)
- Leadership: Society of Physics Students and Alpha Gamma Alpha (see below)

MEMBERSHIPS & OUTREACH

Southern Methodist University

Physics Department

- Star Party Volunteer, Feb 27th, 2026
 - Operated telescopes for attendees
 - Answered astrophysics/astronomy questions
 - Pointed out objects like constellations, stars, planets, etc.

Dallas Regional Science and Engineering Fair

- Judge and Volunteer, Feb 28th, 2026

East Texas A&M University

TRIO McNair Scholar

- Member, Apr 2024–May 2025

Society of Physics Students

- President, Apr 2024–Apr 2025
 - Organized and led Physics outreach events where we presented physics demos
- Physics Undergraduate Student Representative, Apr 2023–Apr 2025
 - Represented the physics undergraduates at department faculty and staff meetings
 - Communicated to faculty the graduate and undergraduate interest in a special topics course, General Relativity and Big Bang Cosmology, resulting in it being offered in Spring 2025.
- Treasurer, Apr 2023–Apr 2024
 - Represented ETAMU at Eclipse outreach events such as E3 at Greenville High School and Space Day at the Audie Murphy/American Cotton Museum.
 - Operated telescope at ETAMU's Eclipse Day on April 8th, 2024
- Member, Aug 2022–May 2025

Alpha Gamma Alpha Math Chapter

- President, Aug 2023–May 2025
- Member, Aug 2022–May 2025

Sigma Pi Sigma National Honor Society

- Member, Apr 2023–Present
